

1 BILL NO. X-85- 05-32

2 ANNEXATION ORDINANCE NO. X-

02-85

3 ANNEXATION ORDINANCE annexing certain territory  
4 commonly known as the Winters Road Annexation  
5 Area to the City of Fort Wayne, Indiana, and  
6 including same in the Councilmanic District No. 4.

7 WHEREAS, the owners of the herein described territory  
8 have petitioned for voluntary annexation of said territory;  
9 and,

10 WHEREAS, the City of Fort Wayne is desirous of annexing  
11 said territory, therefore,

12 BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF  
13 FORT WAYNE, INDIANA:

14 SECTION 1. That the following described territory be  
15 and the same is hereby annexed to, and made a part of, the  
16 corporation of the City of Fort Wayne, Indiana, to-wit:

17 A parcel of land located in Sections 8 and 9, Township  
18 29 North, Range 12 East, Allen County, Indiana and more  
19 particularly described as follows:

20 COMMENCING at the South Quarter corner of Section 9,  
21 Township 29 North, Range 12 East, Allen County,  
22 Indiana; thence West along the South line of said  
23 Section 9 a distance of 273.0 feet to the West right-  
24 of-way line of the N&W Railroad; thence North along the  
25 West right-of-way line of the N&W Railroad a distance  
26 of 15.0 feet to the point of beginning. BEGINNING at  
27 the above described point; thence West and parallel  
28 with the South line of said Section 9 to the common  
29 line with Section 8, Township 29 North, Range 12 East,  
30 Allen County, Indiana and thence continuing West and  
31 parallel with the South line of said Section 8 a total  
32 distance of 4,289.6 feet to the existing City Limits  
line; thence along the existing City Limits line as  
established in Annexation Ordinance X-57-03-15 as  
follows: deflecting right 134 degrees 13 minutes from  
the last described line a distance of 421.2 feet;  
thence deflecting right 45 degrees 50 minutes a  
distance of 3595.0 feet; thence deflecting left 45  
degrees 31 minutes a distance of 297.6 feet; thence  
deflecting left 89 degrees 45 minutes a distance of  
421.8 feet; thence deflecting right 44 degrees 40  
minutes a distance of 636.9 feet; thence deflecting  
right 90 degrees 00 minutes a distance of 446.0 feet;  
thence continuing East and departing from the existing  
City Limits line a distance of 35.0 feet to the West  
right-of-way line of the N&W Railroad; thence South  
along said West right-of-way line of the N&W Railroad a  
distance of 1428.8 feet to the point of beginning; said  
area contains 39.7 acres more or less.

1           SECTION 2. That the City of Fort Wayne will furnish  
2 the above described territory within a period of one (1) year  
3 from the effective date of annexation, planned services of a  
4 non-capital nature, including police protection, fire protec-  
5 tion, and street and road maintenance, in a manner which is  
6 equivalent in standard and scope to those non-capital services  
7 provided to areas within the City of Fort Wayne which have  
8 similar topography, patterns of land utilization and population  
9 density to the said described territory. The City of Fort  
10 Wayne will also provide services of a capital improvement  
11 nature, including street construction, street lighting, sewer  
12 facilities, water facilities and stormwater drainage facilities  
13 to the annexed territory within three (3) years of the effect-  
14 ive date of annexation, in the same manner as such services are  
15 provided to areas already in the City of Fort Wayne with  
16 similar topography, patterns of land utilization and population  
17 density, and in a manner consistent with federal, state, and  
18 local laws, procedures, and planning criteria.

19           SECTION 3. That governmental and proprietary services  
20 will be provided to the above described territory in a manner  
21 consistent with the written Fiscal Plan for the territory  
22 developed by the Division of Community Development and Plan-  
23 ning. Said Plan was examined by the Common Council of the City  
24 of Fort Wayne and is approved and adopted by the Common Council  
25 by and upon the passage of this Ordinance.

26           SECTION 4. That said described territory shall be a  
27 part of Councilmanic Political Ward No. 4 of the City of Fort  
28 Wayne, Indiana, as described in Division I, Section 2-9 of  
29 Chapter 2 of the Municipal Code of the City of Fort Wayne,  
30 Indiana of 1974, as amended.

31           SECTION 5. That after its passage, approval by the  
32 Mayor, and due legal publication, this Ordinance shall be in

8 provided to areas already in the City of Fort Wayne with  
9 similar topography, patterns of land utilization and population  
10 density, and in a manner consistent with federal, state, and  
11 local laws, procedures, and planning criteria.

12 SECTION 3. That governmental and proprietary services  
13 will be provided to the above described territory in a manner  
14 consistent with the written Fiscal Plan for the territory  
15 developed by the Division of Community Development and Plan-  
16 ning. Said Plan was examined by the Common Council of the City  
17 of Fort Wayne and is approved and adopted by the Common Council

# WINTERS ROAD ANNEXATION FISCAL PLAN

DIVISION OF  
COMMUNITY DEVELOPMENT  
AND PLANNING

JUNE 1985

204

## INTRODUCTION

The Winters Road Annexation is a voluntary annexation to the City of Fort Wayne. This area is contiguous to the southeast corner of Baer Field Municipal Airport and is bordered by the Norfolk & Southern Railroad and Winters Road on the east and south, respectively. The City of Fort Wayne owns all of the land within the annexation area.

The Allen County Plan Commission has zoned the area and surrounding land I-2, General Industrial. The area is vacant, and no development has been proposed for the annexation area at this time.

The Winters Road Annexation satisfies the criteria of the Indiana State Statutes. This plan describes the area to be annexed, sets forth a plan to provide municipal services, and summarizes the financial impact of annexation upon the City.

## SECTION ONE

### BASIC DATA

#### A. Location

The area petitioning for voluntary annexation is bounded on the south by the Winters Road, on the west and the north by Baer Field and on the east by the Norfolk and Southern Railroad.

#### B. Size

The Winters Road Annexation contains approximately 40 acres.

#### C. Population

All land in the area is owned by public entities. The population of the annexation area is 0 and there are no residential structures in the area.

#### D. Zoning

The Winters Road annexation area has only one zoning classification: I-2 - General Industrial. Upon annexation, this area will be under the jurisdiction of the City Plan Commission and will be classified M-2 - General Industrial.

#### E. Assessment

\$0

#### F. Tax Rate

Existing 5.9698	After Annexation 9.6392	Increase 3.6694
		or 61.466%

#### G. Council District

The annexation area will be in City Council District 4.

## SECTION TWO - THE COMPREHENSIVE ANNEXATION PROGRAM

At the time the City prepared its Annexation Policy and Program Study in 1975, this area was part of a larger pending annexation. The Study does not specifically address this area. Using the report as a policy guide for the City's annexation program, it states that "all urban land contiguous to the City limits should become part of the City" as should "all non-urban land required to compliment the annexation of urban land and provide the ability to control and manage urban growth." Because of its location in relationship to the airport and its contiguity to the existing City limits, it's obvious that this land should be within the jurisdiction of the City of Fort Wayne.

### SECTION THREE - STATE LAW REQUIREMENTS

State law stipulates that if an area is one-eighth ( $1/8$ ) contiguous to the City, it can be annexed voluntarily if 51% of the property owners or owners of 75% of the total assessed value of the land petition for an ordinance annexing the area.

The area meets the contiguity requirements in that it is 50% contiguous to the City of Fort Wayne.

The area also meets the second requirement, as 100% of the property owners in the area have petitioned for annexation.

Therefore, the Winters Road Annexation complies with the relevant state law requirements.

## SECTION FOUR

### MUNICIPAL SERVICES

This section of the Fiscal Plan forecasts the costs and methods of financing services for the Winters Road Annexation Area. The Plan also described how and when the City plans to extend the services of non-capital and capital improvement natures. As will be seen, the explanations of the above provisions satisfy the requirements of Indiana state law.

The municipal services described in this section are analyzed according to the needs of the Winters Road Annexation Area, along with the costs of providing these services and the funding sources. As required by state law, the annexation area will be treated equally with other City areas and will receive urban services in the same manner as other areas within the City. However, because the City does not employ different service standards for different areas of the City, the annexation area is compared with the service standards as they exist for the entire City. The City of Fort Wayne will provide services of a non-capital nature, including police and fire protection, emergency medical service, traffic control, solid waste collection, and street and road maintenance within one year after the effective date of annexation. Street lighting and street construction will be provided in accordance with the standard processes of the City, which include petitioning and financial participation by property owners. The water, sewer, and drainage services of the Fort Wayne City Utilities will be made available to the area in conformance with relevant state law and utility policies. Existing facilities of the Fort Wayne Parks and Recreation Department will also be available to residents of the area upon annexation. Park development within the annexation area is contingent upon the park planning standards and methods used throughout the City.

#### A. Police

The services provided by the Fort Wayne Police Department include the prevention of crime, the detection and apprehension of criminal offenders, assistance for those who cannot care for themselves or who are in danger of physical harm, resolution of day-to-day conflicts among family, friends, and neighbors, and the creation and maintenance of a feeling of security in the community. The Police Department is involved in legal work, such as participation in court proceedings and protection of constitutional rights. It is also responsible for the control of traffic and the promotion and preservation of civil order.

District 8 will be expanded to cover the Winters Road Annexation area upon annexation. The Police Department keeps tabulation on the percentage of personnel and equipment necessary for the

City's annexation program, and has determined that additional personnel are not required for this particular annexation. The cost to provide protection to the annexation area will be \$399 a year. Funding for police services in the annexation area will come from the regular Police Department budget which is derived primarily from local property taxes through the General Fund.

ESTIMATED ANNUAL COST: \$399

#### B. Fire Department

The Fort Wayne Fire Department will be responsible for providing fire protection services to the Winters Road Annexation area within one year after the annexation date. The services provided include fire protection and suppression, emergency rescue, fire prevention, and fire inspections. Primary response will come from a yet to be determined site. A rescue/pumper will be stationed at an existing Baer Field site or housed in the current Baer Field fire station. Whichever alternative is chosen, it will allow for primary response times to all areas of the annexation to be well within the accepted standards of the City of Fort Wayne Fire Department. Backup response will come from Station 6 located at 5801 Bluffton Road. One rescue/pumper will be stationed at Baer Field and one 50' - 1,250 G.P.M. Squirt is housed at Station 6.

While operational costs to supply professional firefighters to the area is substantial, the benefits to the south side of the City are numerous. Parts of Waynedale and southwest Fort Wayne will have faster primary response service times. The new unit will also relieve Station 2 (Taylor St.) and Station 12 (South Anthony) of backup response times outside the three mile coverage range.

The location of equipment within the annexation area will enhance contract potential to businesses in the southwest areas outside of the City limits. It will also afford us the potential of contracting fire protection services with large parts of Lafayette and Pleasant Townships.

The ongoing cost for manpower and utilities will be approximately \$280,000 a year. The estimated annual cost is figured on the percent of coverage area in the annexation area versus the total primary response area and back-up area that the new equipment will serve.

ESTIMATED ANNUAL COST: \$3,724

### C. Emergency Ambulance Service

At the present time, the Three Rivers Ambulance Authority is the only provider of ambulance service for the City of Fort Wayne. The Winters Road Annexation area may receive full advanced life support ambulance service immediately upon annexation.

Using service run records of the past several years, as many as six ambulances will be stationed at different locations throughout the community. Upon receiving a request for service from the annexation area, the ambulance closest to the area will be dispatched to the annexation area. In addition, for some emergencies, such as heart attacks, the Fort Wayne Fire Department will provide extra assistance. Primary assistance will come from Baer Field. The Fire Department trains a number of its personnel so that each fire station has an emergency medical technician on duty at all times.

The method of financing emergency medical services is based primarily on user fees plus a small, decreasing City tax subsidy, which over the next few years should drop to zero, leaving user fees as the sole financial support of the system. The charges of ambulance service, as of April 1, 1985 are shown in Table 1.

TABLE 1

#### EMERGENCY AMBULANCE SERVICE

1. \$85 plus \$5 per loaded mile for non-emergency transfers scheduled 24 hours in advance.
2. \$95 plus \$5 per loaded mile for non-scheduled non-emergency transfers.
3. \$342 for all emergencies (for City residents)
4. \$385 for all emergencies (for non-City residents)

This method of financing permits emergency medical service to be extended to the annexation area with its existing budget and no additional manpower or equipment will be needed to service the annexation area.

ESTIMATED ANNUAL COST: \$0

### D. Solid Waste Disposal

The City of Fort Wayne provides garbage collection for residential customers immediately after the annexation date. This area is serviced by National Serv-All at the rate of \$33.96 per household per year. Collection service is financed by the City's Garbage Disposal Fund which comes from the General Fund. With no

residential customers presently in the area, there is no annual cost to be estimated.

ESTIMATED ANNUAL COST: \$0

E. Traffic Control

The City's Traffic Engineering Department will assume responsibility for traffic control in the annexation area within one year after the annexation date. Some of the services that can be provided by the department are surveys and investigations of traffic conditions and problems. Finally, the department provides installation and maintenance of traffic control devices such as stop lights, control signs, and fire alarm systems. Since there are no roads in the annexation area, there will be no traffic control costs associated with the annexation.

ESTIMATED ANNUAL COST: \$0

F. Streets and Roads

The incorporation of the annexation area will not add any streets to the City's street system. The Street Department will provide engineering services and construction supervision for all streets, alleys, and sidewalks that will be constructed within the proposed annexation area and snow and ice removal, leaf pick-up, and surface maintenance after construction. The provision of these services to the annexation area will not require any additional personnel or equipment, and they will be similar to those services already provided to the rest of the City. The source of funding for street maintenance is the Street Department budget which is composed of funds from Motor Vehicle Highway (MVH), Federal Aid Urban (FAU), and Local Arterial Roads and Streets (LARS) programs.

ESTIMATED ANNUAL COST: \$0

G. Parks

Presently there are no residential properties in the area. The services and facilities of the park system are currently available, with Tillman Park, a 70-acre Community Park being the closest. Upon annexation, property owners through the Park General tax, will contribute to the system's maintenance.

ESTIMATED ANNUAL COST: \$0

#### H. Water

Upon annexation, the Fort Wayne Water Utility will not immediately provide water to the area. Petitions would need to be submitted to the Board of Public Works requesting main extensions.

ESTIMATED ANNUAL COST: \$0

#### I. Fire Hydrants

The City of Fort Wayne pays the Fort Wayne Water Utility \$181.50 annually for each fire hydrant located within the City. However, there are no fire hydrants in the annexation, so this is not applicable.

ESTIMATED ANNUAL COST: \$0

#### J. Sanitary Sewers

The Fort Wayne Department of Water Pollution Control (WPC) has the capability of extending service into the area upon petition by the property owners. If property owners petition for sewers, they will have to pay for their installation. However, upon annexation, property owners will be able to take advantage of the Barrett Bonding process. Barrett Bonding permits property owners to make long-term, low interest payments for their sewers.

ESTIMATED ANNUAL COST: \$0

#### K. Storm Sewers

Upon annexation, the Department of Water Pollution Control will not consider capital improvements for storm sewers unless petitioned by the property owners of the annexation area. It is the City's policy that the financing of storm sewers be the responsibility of property owners. Property owners can pay through Barrett Law Assessments which allows payment over a ten-year period at an interest rate lower than that available on the open market.

ESTIMATED ANNUAL COST: \$0

L. Street Lighting

The Street Lighting Department will be responsible for maintaining and operating street lights in the annexation area. However, there are no street lights in the area. Therefore, there will be no cost for street lighting services.

ESTIMATED ANNUAL COST: \$0

M. Administrative Services

All administrative functions of the City will be available to the Annexation Area within one year of the annexation date. These services include, but are not limited to, the Law Department, the City Plan Commission, the Mayor's Office, the Board of Works, the Metropolitan Human Relations Department, the City Clerk's Office, the Citizen's Advocate Office, etc. General administration includes all of the regulatory and program functions of the various City departments. When the area is annexed, City departments will be notified and will expand their jurisdictional areas accordingly.

The costs of these services cannot be directly related to the size or population of an area. Consequently, this plan does not include cost estimates. However, the budgets of these departments are prepared with the expectation that the City will annex several areas during the budgetary period. Therefore, expansion of administrative functions is possible. Funding comes from a variety of sources, including the General Fund, the State, and the Federal government.

ESTIMATED ANNUAL COST: \$0

## SECTION FIVE

### FINANCIAL SUMMARY AND RECOMMENDATION

The purpose of this section is to report the expenditures from the proposed Winters Road annexation. This section will also provide a five-year summary of the expenditures.

#### A. Revenues

Property taxes are the main source of revenue to be received from most annexation areas. As this land presently belongs to the City of Fort Wayne and is vacant, there will be no property taxes collected. Future private development cannot be anticipated at this time, so there is no projection for revenue during the next five years.

There are no streets in this annexation area so the City will not receive additional money from the Motor Vehicle Highway (MVH) and from the Local Arterial Roads and Streets (LARS) funds as these monies are allocated according to street miles.

#### B. Expenditures

Expenditures reported in the section on Municipal Services are summarized in Table 2. Capital costs are separated from operating costs, and they are considered as maximum expenditures. Since the needs of the annexation area must be treated equally with the needs of other areas in Fort Wayne, capital improvement projects such as the installation of streets, curbs, and sidewalks must follow routine city procedures which often require petitioning. Utility costs are not reported here as they are paid for by the property owners, and only after they request the improvements.

#### C. Five-Year Summary

The Five-Year Summary shows the projected expenditures compared with the tax revenues expected in the Winters Road Annexation Area for the first five years after it is incorporated into the City of Fort Wayne.

The summary automatically includes for each of the five years an 4.2 percent inflation factor for municipal expenditures. The 4.2 percent inflation factor is the rate of inflation from October 1983 to October 1984 as calculated by the U.S. Department of Labor.

D. Recommendation

This Fiscal Plan, which meets the state law requirements that a fiscal plan be prepared, shows that the Winters Road annexation is in accordance with the applicable state statutes. Therefore, it is recommended that after the passage of the annexation ordinance and its approval by the Mayor, this area should be annexed by the City of Fort Wayne sixty days after the second newspaper notice.

It is not anticipated that, due to the annexation of the Winters Road Annexation area, any governmental employees will be eliminated from other governmental agencies. Because of this fact, no plan has been prepared for the hiring of such employees.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:  
SECTION 1. That the following described territory be and the same is hereby annexed to, and made a part of, the corporation of the City of Fort Wayne, Indiana, to-wit:  
A parcel of land located in Sections 8 and 9, Township 29 North, Range 12 East, Allen County, Indiana and more particularly described as follows:  
COMMENCING at the South Quarter corner of Section 9, Township 29 North, Range 12 East, Allen County, Indiana; thence West along the South line of said Section 9 a distance of 273.0 feet to the West right-of-way line of the N & W Railroad; thence North along the West right-of-way line of the N & W Railroad a distance of 15.0 feet to the point of beginning. BEGINNING at the above described point; thence West and parallel with the South line of said Section 9 to the common line with Section 8, Township 29 North, Range 12 East, Allen County, Indiana and thence continuing West and parallel with the South line of said Section 8 a total distance of 4,289.6 feet to the existing City Limits line; thence along the existing City Limits line as established in Annexation Ordinance X-57-03-15 as follows: deflecting right 134 degrees 13 minutes from the last described line a distance of 421.2 feet; thence deflecting right 45 degrees 50 minutes a distance of 3595.0 feet; thence deflecting left 45 degrees 31 minutes a distance of 297.6 feet; thence deflecting left 89 degrees 45 minutes a distance of 421.8 feet; thence deflecting right 44 degrees 40 minutes a distance of 636.9 feet; thence deflecting right 90 degrees 00 minutes a distance of 446.0 feet; thence continuing East and departing from the existing City Limits line a distance of 35.0 feet to the West right-of-way line of the N & W Railroad; thence South along said West right-of-way line of the N & W Railroad a distance of 1428.8 feet to the point of beginning; said area contains 39.7 acres more or less.  
SECTION 2. That the City of Fort Wayne will furnish the above described territory within a period of one (1) year from the effective date of annexation, planned services of a non-capital nature, including police protection, fire protection, and street and road maintenance, in a manner which is equivalent in standard and scope to those non-capital services provided to areas within the City of Fort Wayne which have similar topography, patterns of land utilization and population density to the said described territory. The City of Fort Wayne will also provide services of a capital improvement nature, including street construction, street lighting, sewer facilities, water facilities and stormwater drainage facilities to the annexed territory within three (3) years of the effective date of annexation, in the same manner as such services are provided to areas already in the City of Fort Wayne with similar topography, patterns of land utilization and population density, and in a manner consistent with federal, state, and local laws, procedures, and planning criteria.  
SECTION 3. That governmental and proprietary services will be provided to the above described territory in a manner consistent with the written Fiscal Plan for the territory developed by the Division of Community Development and Planning. Said Plan was examined by the Common Council of the City of Fort Wayne and is approved and adopted by the Common Council by and upon the passage of this Ordinance.  
SECTION 4. That said described territory shall be a part of Councilmanic Political Ward No. 4 of the City of Fort Wayne, Indiana, as described in Division I, Section 2-9 of Chapter 2 of the Municipal Code of the City of Fort Wayne, Indiana of 1974, as amended.  
SECTION 5. That after its passage, approval by the Mayor, and due legal publication, this Ordinance shall be in full force and effect sixty (60) days after the date of last publication.
